# How to Get to the Ealing Beer Festival

**From Ealing Broadway Station:** Turn left out of station and walk down to the crossing at the North Star. Turn right past the various banks and shops crossing over near Christ Church and then Bond Street. Opposite the Town Hall is the hoardings covering the frontage of the ex-cinema. Next to this is Barnes Pike. Walk down the passage - at the end on your right you should see a single gate entrance to Walpole Park. If you walk towards the children's playground and bandstand, you will find the entrance to the festival.
